-or- \$40 annually
over 5-years

1

The benefits of ownership extend to the entire community. Co+ops keep more money in the local economy, increase the market & access for locally produced food, and prioritize business practices that are good for *people & the planet.*

The Bennies

1% cash back annually in the form of store credit
20% OFF of most special orders!
Owner specific deals - special sales!
OWN Your Grocery Store! and more!

2

Unlike corporate chains, food Co+ops are totally independent and owned by the community members who shop there. So instead of focusing on investors, food Co+ops focus on their community — nourishing everyone.

3

Owners receive financial rewards like discounts & coupons, and they can earn a share of their Co+op's profits through patronage dividends. Owners get to elect their Co+op's board of directors & have an equal voice in ballot initiatives.
